The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Essential Training Curriculum for Law Enforcement Officers in Fiscal Year 2027. The entity to receive funding for this project is University of Maryland Global Campus, located at 3501 University Boulevard East Adelphi, MD 20783. The funding would be used to develop quality curriculum for Maryland police academies to ensure the effective and efficient training necessary to produce competent and responsible police officers. The project is an appropriate use of taxpayer funds because this curriculum will strengthen our local law enforcement workforce in Maryland through refined, targeted academic research that informs repeatable, reliable results.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Glenn F. Ivey
Member of Congress
